Please sponsor me!!

In August this year I'll be giving up my time to volunteer at the Mersea Island Festival. The Festival takes place on the coast of Essex and brings together those with and without disabilities. I'll be helping to deliver a full programme of inclusive activities as a member of the volunteer staff team. The programme and volunteer costs for the camp are supported through fundraising by the Mersea Island Festival Trust.

Please sponsor my volunteering time so we can provide more inclusive activities for those with disabilities.

Many thanks, ……..
