

MERSEA ISLAND FESTIVAL 2019 MEDICAL and CONSENT Form

We require a completed form for all those attending the Festival. Please provide us with as much information as possible, continuing on a separate sheet if required.

Completed forms should be returned by the 26th July

Where an individual is attending the Festival with support, it is expected that assistance with taking medication will be given by their supporter or group leader.

While some of our volunteers are qualified to provide First Aid treatment, none of them are able to provide medical advice and participants will be referred to the local walk-in centre if this is required.

PRIVATE AND CONFIDENTIAL

Please note: The organisers of the Mersea Island Festival reserves the right to ask participants to return home if they are likely to be at risk to themselves or others due to their care or supervision needs.

DECLARATION by participant, or parent/guardian if the applicant is aged under 18

I hereby certify that the above information is correct to the best of my belief and gives all the relevant details of which I am aware. I understand the importance of advising the Festival organisers of any medical or special needs which may require particular attention in order to enable my/my child/ward's full and safe participation in the Festival.

I understand that where an individual is attending the Festival with support, it is expected that assistance with taking medication will be given by their supporter or group leader.

I undertake not to attend/permit my child/ward to attend the Festival if I/they have been in contact with infectious diseases within two weeks of the commencement of the visit.

If at any point during the Festival I/they require urgent medical treatment, and provided neither of the emergency contacts can be contacted personally, I agree to authorise members of the staff during the Festival, to approve such medical treatment for myself /my child/ward as is deemed necessary on the advice of a medical practitioner.
